

Fun & Games

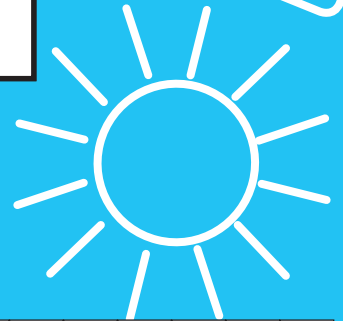

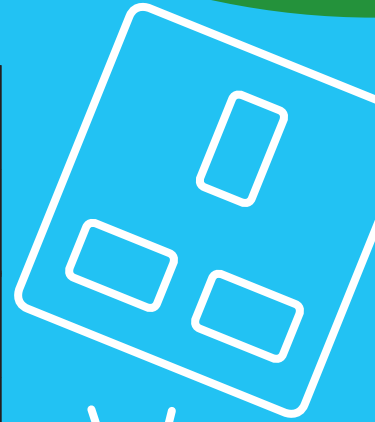

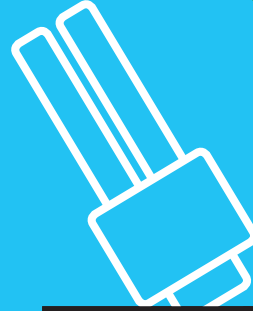

Time for some fun!

Have a go at our Energy Sudoku using symbols instead of numbers. Every row, column and mini-grid must contain the same symbols but only once each.

Don't guess - use logic!

Wordsearch

See how many of the following energy words you can find. Words can be forwards, backwards, up, down and even diagonal!

- Light Bulb
- Save
- Energy
- Electricity
- Turn Off
- Resource
- Heat
- Unplug
- Switch
- Stand By
- Oil
- Gas
- Start
- Earth
- Power
- Circuit
- Battery
- Fuel
- Solar
- Waste
